Faculty Positions

University of Maryland, Baltimore Baltimore, Maryland

The Department of Endodontics, Prosthodontics and Operative Dentistry, University of Maryland, Baltimore, is seeking candidates for a full-time faculty position at the assistant or associate professor level. Responsibilities include didactic and clinical teaching in the areas of operative dentistry, fixed prosthodontics, dental anatomy and occlusion, primarily at the pre-doctoral level. Participation in the development of departmental research and other scholarly activities is highly desirable.

Requirements for the position include a DDS/DMD degree or foreign equivalent and eligibility for a Maryland dental license. Preference will be given to candidates with Masters or PhD degrees, those with funded research who have demonstrated innovative approaches to curricular development and/or productivity in scholarly activities. An opportunity for intramural practice is available, and candidates are encouraged to participate. Salary and academic rank will be commensurate with qualifications and experience. The position will be available until filled. Qualified applicants should send a letter of interest, curriculum vitae and names and addresses of three references to Dr J Richard Bradbury, chair, Search Committee, Department of Endodontics, Prosthodontics and Operative Dentistry, Baltimore College of Dental Surgery, Dental School, University of Maryland, Baltimore, 650 West Baltimore Street, Rm 6256, Baltimore, MD 21201-1586 or jbradbury@umaryland.edu.

The University of Maryland Baltimore is an AA/EEO/ADA employer and has a strong commitment to the principle of diversity in all areas.

University of Iowa College of Dentistry

The University of Iowa's College of Dentistry is searching for a full-time clinical or tenure-track faculty member in the Department of Operative Dentistry. The position will be available January 1, 2011; screening begins

immediately. Candidates must have a DDS/DMD or equivalent and, by the time of appointment, MS or advanced clinical training in operative/restorative dentistry from an ADA-accredited institution; teaching/research experience and previous experience mentoring pre-doctoral or graduate students. Desirables: advanced training in esthetic dentistry, integration of prevention/minimally invasive dentistry in teaching/clinical practice, course director or other administrative experience and, for tenure-track applicants, a record of research accomplishments/publications in peer-reviewed journals.

Rank/track/salary is commensurate with qualifications/experience. Applicants must apply electronically. Go to Jobs@UIowa at: <http://jobs.uiowa.edu/content/faculty/>, reference Req #57880 and submit a letter of interest, CV and three letters of recommendation.

AA/EEO employer; women/minorities are encouraged to apply.
