Faculty Positions

**Medical College of Georgia—Instructor
Oral Rehabilitation—Operative/Restorative
Dentistry
Position #60152, Requisition #4734**

Full-time tenure/non-tenure track faculty position. Teaching responsibilities include participation in clinical and preclinical courses in operative dentistry, prosthodontics and/or restorative dentistry at the pre-doctoral and post-doctoral level. Preference will be given to candidates with significant clinical experience, post-graduate training in prosthodontics/operative dentistry/general dentistry or prior experience in dental education. Participation in the faculty practice and research are expected. Applicants must be a graduate of an ADA-accredited dental school or two-year postgraduate training program and be licensed in a state or eligible for licensure by the Georgia Board of Dentistry. Salary and academic rank are commensurate with qualifications. AA/EEO/Equal Access/ADA Employer. Interested candidates should apply for this position online at www.mcg.edu/faculty/jobs/, the requisition number provided above, and the department name.

Application Deadline: Until Filled

Erratum

In *Operative Dentistry*, 2010, **35-5**, 530-537, Fracture Resistance of Endodontically-treated Teeth: Effect of Combination Bleaching and an Antioxidant, the first author was erroneously listed as Maryam Khoroushi, DDS, MS, professor, Department of Operative Dentistry & Torabinejad Dental Research Center, School of Dentistry, Isfahan University of Medical Sciences, Isfahan, Iran. Dr Khoroushi's correct university title is assistant professor. This update has been posted online.
