

Erratum

In the Table of Contents for Operative Dentistry, 36#1, January-February 2011, the title of an article was inadvertently left out and the page number for the preceding article was incorrect. The two entries should read:

Effect of Eugenol Exposure Time and Post-removal Delay on the Bond Strength of a Self-etching Adhesive to Dentin—*JPL Silva • DM Queiroz • LH Azevedo • LC Leal • JL Rodrigues • AF Lima • GM Marchi • M Brito-Júnior • AL Faria-e-Silva*..... 66

Marginal, Internal Fit and Microleakage of Zirconia Infrastructures: An *In-Vitro* Study—*L Korkut • HS Cotert • H Kurtulmus*..... 72

We regret the error.
