1991 Gold Foil Conference – Italy

The second International Gold Foil Conference is scheduled to take place in Santa Margherita and Genoa in Northern Italy May 31st, June 1st and 2nd 1991.

For those people who were fortunate to have been to Goettingen the excellence of these meetings is no secret. 1991 will again be a banner year for gold foil in the international sphere. We are promised superb hospitality and a warm welcome in Italy. The headquarters hotel in St. Margherita is first class and will be reasonably

priced at convention rates.

Registration is expected to be a modest \$150 (US) for North American visitors, and there will be a tour through Sienna, Florence and down to Rome by bus for approximately \$1000-1200 (US) per couple following the conference.

Make your plans to attend, this conference will be too good to miss! The programme is provisionally as outlined below:

Annual Meeting of the Associated Ferrier Study Clubs

The Annual Meeting of the Associated Ferrier Study Clubs took place this year on May 4th 1990 in Seattle. The clinic sessions were held as usual in the University Dental School. Many fine restorations were in evidence, and the session was thoroughly enjoyable.

During the afternoon a variety of sporting activities took place including golf and trap shooting. With unassailable generosity all participants received a prize for their efforts.

During the evening banquet Guest Speaker Senator Stevens from Alaska gave a highly lucid and informative peroration upon the developments in the Soviet Union.

President Warren Johnson is to be congratulated upon a highly successful meeting. During the business session following the banquet, Dr. Gerry Stibbs introduced the new slate of officers under the Presidency of Dr. Ted Ramage of Vancouver.

Notice – Annual Dues

The ByLaws require that all members of the AAGFO subscribe to "Operative Dentistry." The current AAGFO dues are \$60.00 and the journal subscription in 1991 is \$55.00, making the annual payment \$115.00.

If you are a member of both AOD and AAGFO, please include your journal subscription in *both dues payments*. The Operative Dentistry office will refund one of these payments to the proper member, unless a donation is indicated.

Thank you for your help.

Office of Secretary-Treasurer

Distinguished Member Honored

April 25th, was a landmark day in the history of A.A.G.F.O. when one of our distinguished members reached his eightieth birthday.

Gerry Stibbs was honored at a Banquet held at the Westin Hotel Seattle on Saturday 28th April 1990. Approximately 150 friends and former students attended.

Dr. Gerry Stibbs with Mrs. Gloria Stibbs.

A bronze bust of Dr. Stibbs, created by Dr. Orlando T. Barrowes of Salt Lake City (Class of 68), was presented to the University Dental School. Dr. David Bales accepted the bust on behalf of the University, and it is now proudly displayed on the Restorative Floor of the Dental School. A duplicate of the Bust was presented to Gerry and Gloria Stibbs.

We have been triple blessed to have Gerry in our midst, with his consummate skills, his timeless energy and devotion as a teacher, and his continuance in teaching when most men would be pleased to be able to relax. Gerry Stibbs has made a matchless contribution to the Profession of Dentistry raising it to new heights few would have thought possible.

Dr. Ian Hamilton acted as Master of Ceremonies for the evening of April 28th, active in the organisation were Drs. Marty Anderson, Bruce Smith and Richard V. Tucker.

From all your friends in A.A.G.F.O. our Heartiest Congratulations and Best Wishes on this great occasion, and may you be blessed with many more wonderful years.

Allan G. Osborn
Editor

From the Winnipeg Ferrier Gold Foil Society

Dr. Ron Harris from the University of Indiana paid a visit to the *Winnipeg Ferrier Gold Foil Society* on April 28th. A morning clinical session was held at the University of Manitoba with Dr. Harris as guest mentor. A variety of different clinical situations were treated with gold foil.

After a pleasant luncheon at the Westin Hotel, Dr. Harris

presented a didactic session which demonstrated the many and varied uses for gold foil. From the more exotic through the easier applications which are suitable for newcomers to the art.

An evening banquet at Victor's restaurant gave everyone an opportunity to get to know Ron personally, and capped a very successful day in the life of the study club.

Press Release

Date Line: Chicago, Illinois
February, 1990

The American Board of Operative Dentistry at its recent annual meeting elected the officers for the coming year. They are Dr. David Molien of Iowa City, Iowa – Secretary/Treasurer; Dr. Chester Gibson of McMinnville, Oregon – Vice President; and Dr. James Gourley of Bainbridge Island, Washington – President.

Also at the annual meeting, Dr. Robert C. Keene of Hanover, New Hampshire; Dr. Gibson and Dr. Molien were elected to the council which is the governing body for the American Board of Operative Dentistry.

The American Board of Operative Dentistry is celebrating its tenth year since inception. The concept for establishing the Board certification process for general dentists in restorative dentistry was spawned by members of the American Academy of Operative Dentistry in 1980.

The organization is incorporated in the State of Florida and serves to encourage practicing dentists to participate in the certification process whereby they undergo a lengthy written examination, the preparation of cases for an oral examination, and then a practical exam which covers all phases of restorative dentistry. Persons interested in the certification process are encouraged to write the Secretary of the American Board of Operative Dentistry, Dr. David Molien, at 38 Wakefield Court, Iowa City, Iowa 52240.
