AMERICAN ACADEMY OF GOLD FOIL OPERATORS

Interim Board Meeting

February 17, 1999

FAIRMONT HOTEL - CHICAGO, IL.

Meeting was called to order at 1:05 P.M. by President Craig Bridgeman. Members present were: Drs. Bridgeman, Carlson W. Johnson, Tucker, Keene, Gourley, Eichmiller, Hoard, Rupp, Marty Anderson, and Lund. Dr. Harris was not present.

The agenda for the meeting was distributed to all present. Minutes of the September 10, 1998 annual meeting were approved as published in the Gold Leaf in January.

Treasurer's Report:

Assets - December 31, 1998		
CD	\$30,000.00	Matures 1/12/99
CD	25,000.00	Matures 1/14/00
Checking	<u>14,712.22</u>	
Total		\$69,712.22
Receipts - 1998	46,856.28	
Expenditures - 1998	<u>59,751.33</u>	
(includes 10,000 added to CD, plus gold keys)		-\$12,895.05

(Actual difference is only -\$2,895.05, accounted in part by cost of Roster and funding of Dr. Young.)

Assets - January 1, 1998		
CD	20,000.00	
CD	25,000.00	
Checking	<u>25,115.38</u>	
		\$70,115.38
Difference in Assets 1998	-\$ 403.16	
Dues + Journal Subscriptions	23,793.00	
Journal Subscriptions Paid	<u>11,591.00</u>	
Dues Received - 1998	12,202.00	
1998 Annual Meeting - Minneapolis, MN		
Expenses	20,075.77	
Receipts	<u>18,695.00</u>	
Net loss	(1,380.77)	

Total members - 293
Dues paying members - 207
Life Members - 82 (down by 8 due to deaths)
Honorary - 4

Treasurer's report and Budget for 1999 were accepted. Bob Keene was slated to do an internal audit of books and suggested that all seemed to be in order. Board members concurred.

Correspondence:

A letter from NIDR inviting AAGFO to join as contributing member. Response of the group was lukewarm and no action was taken.

Journal report:

Dick McCoy's report showed that things are running smoothly with the Journal. Good manuscripts continue to be received. 94 were received in 1998 and 49 were accepted for publication. There were 27 more subscriptions than at the same time in 1997. Almost 2000 issues were mailed. The Institute for Scientific Information has listed our Journal as having the 11th most important impact compared to other journals - JADA is 20th and JPD is 29th. The symposium on amalgam alternatives, undertaken by Dr. Dan Sneed may be held in late fall of 2000. The OpDent Home-page has received over 4000 "searches" since last year.

Pages have increased to 64 pages per issue in an effort to catch up. Additional referees have been added to avoid overloading those presently serving.

Publishing and editing responsibilities will be assumed by the new editor, Mike Cochran by around January 1st of 2000. Tim Carlson will be taking over duties as Managing Editor as soon as possible after this meeting.

Marty Anderson gave the financial report, which shows a very slight operating loss for the year, and the fund equity is very healthy. Marty has served as Managing Editor since the inception of the Journal, a period of about 25 years. He has been most instrumental in developing one of the premier international dental journals, with subscribers in 54 countries.

A vote of gratitude was extended to Dick and Marty by the Board for their excellence and dedication in their roles with the Journal.

Tim suggested that funds may be requested from both Academies to update equipment and supplies needed to keep the Journal up to its high standards.

Plans for 1999 meeting:

Oct. 27-30 - Nashville, TN. Tim has things very well in order with some excellent speakers on various related subjects. Dick is working on obtaining clinicians. It is planned to have a two day session in order to accommodate the students. Evaluation process for clinicians used in Minneapolis seemed to work very well, as well as personal critiques. The hotel will be the Sheraton Music City.

Future meetings:

2000 - Nov. 1-4. We will be using the Navy facilities at Pearl Harbor, with a Thursday pm session. Hotel will be the Ihilani Resort and Spa.

2001 - Tentative plans to meet in Indianapolis. Dates to be determined - possibly last week in September (26-29).

Committees:

Gold Leaf - Allan Osborn was not present.

Ad hoc European Section - Meeting in Greifswald, Germany still planned for this June.

Literature and Research - Bibliography update is ongoing. Fred is still waiting for input from the Samuel Harris Museum in Baltimore. There is one room left that might possibly be used as an exhibit for gold as well as other restorative materials. Funds of about \$40,000 may be needed to sponsor such an effort, possibly through contributions by individuals. "Seed Money" from this Academy may be a possibility. There is a need for a 3-4 person committee to work with the Museum on the concept. Craig appointed Fred to head the committee.

Nominating - Scott Barrett has been nominated to serve on the Board.

Interacademy Liaison - Nothing other than Journal business.

Public Relations - No report.

Education and Clinical Seminars - No report.

Necrology - Two deaths reported: Norm Olsen and Bennett Hooker.

Outstanding Clinician - Not yet determined, but candidate should be selected by April.

Distinguished Member - No report.

Constitution and Bylaws - Mel Lund and committee have suggested that a Public Relations Committee has not really been functional and some of its alleged functions fall under the purview of the Education and Clinical Seminars group. The PR Committee could be handled as an ad hoc one. Board concurred to approve a proposal in concept to eliminate the Public Relations Committee and transfer pertinent functions to the Education and Clinical Seminars Committee.

Unfinished Business:

None to report.

New Business:

Some of the above items can be considered new business.

Woody suggested that the Glossary of Dental Terms and Nomenclature may need some revision, as pointed out by certain readers of the Journal. This may be shared with the Operative Academy, as to responsibility and cost.

The meeting was adjourned at 2:15 PM.

Respectfully submitted,

Ronald K. Harris, D.D.S., M.S.D.

Constitutional Change

Suggested adjustment to our American Academy Gold Foil Operators Bylaws...

From Chapter VI(6)- delete section 2-b titled "Public Relations Committee"

Section 2-c becomes b which is:

"Education and Clinical Seminars Committee"

1. No change
2. This committee shall promote the use of rubber dam to the members of the dental profession and to dental schools.
3. This committee shall promote and assist in the formations of cost and direct gold clinical seminars. It should review and continue to improve informational material currently available through the Academy for this purpose.
4. No change.
5. No change.

2-d becomes c Literature and Research Committee

2-e becomes d Nominating Committee

2-f becomes e Constitution and Bylaws Committee

Sincerely,
Dr. Melvin R. Lund

Dr. Richard Hoard presents Dr. Ralph Stenberg with the Victor Williams Outstanding Clinician Award.

...with apologies for incorrect naming originally accorded.

DIE UNABHÄNGIGE FÜR MECKLENBURG-VORPOMMEN

OSTSEE ZEITUNG

Greifswalder Zeitung

Symposium über Zahnfüllungen aus Gold

Greifswald. Reines Blattgold ist eines der ältesten Füllungsmaterialien für Löcher in den Zähnen. Bei uns geriet die Technik seit dem Zweiten Weltkrieg fast in Vergessenheit. Anders in den USA. Dort wird diese altbewährte Methode bis heute gepflegt und im Ausbildungsprogramm einiger Zahnkliniken angeboten.

Die Erkenntnis, daß die Goldhämmersfüllung, bei der hochreines Gold direkt im Zahn verdichtet wird, eine sehr empfehlenswerte Methode in der Zahnheilkunde ist, setzt sich mittlerweile auch wieder in Deutschland durch. Das ist vor allem dem Engagement von Professor Alex Motsch von der "Göttinger Schule" zu verdanken.

Am Freitag, den 4. und Sonnabend, den 5. Juni, findet in der Greifswalder Uni-Zahnklinik ein "Gold-Foil"-Symposium mit Vorträgen und praktischen Demonstrationen statt.

Für den zweiten Kurstag sind neben interessierten Zahnärzten vor allem Studenten aus ganz Deutschland eingeladen. Interessenten wenden sich bitte an Dr. Heike Steffen, 03834 / 867134.

OZ 4. Juni 99 S 14

Referenten:

- Dr. Allan Osborn (Präsident der American Academy of Gold Foil Operators), Private Practice, Winnipeg, Canada
- Prof. Dr. Ralph Stenberg, Lynnwood, WA, USA
- Prof. Dr. Richard Hoard, University of California, LA, USA
- Dr. Robert Murray, Private Practice, Anacortes, WA, USA
- Dr. Warren Johnson, Private Practice, Seattle, WA, USA
- Dr. James Gourley, Private Practice, Bainbridge Island, WA, USA
- Dr. Philip W. Madden, Private Practice, Anacortes, WA, USA

Referenteb der Table-Clinics:

- Dr. Albert F. Scherer, Paderborn:
Verschluß von Trepanationsöffnungen und Kronenrandreparatur mit Gold Foil
- Dr. Peter Beyer, Düsseldorf:
Demonstration, Tricks und Kniffe bei Gold Foil
- Dr. W. Kamann:Posterdemonstration:
 1. Treatment Time Analysis of Direct Gold, Amalgam and Restaurations
 2. Survival and Qualitative Analysis of Direct Gold Restaurations after seven years

Programm

Freitag, 4. Juni 1999

Hörsaal der Anatomie, Löfflerstr. 23 c, nahe Zahnklinik

9:00 – 9:15	Prof. Fanghänel (Leiter des anatomischen Institutes):Herzliches Willkommen
9:15 – 9:30	Prof. Reiner Biffat (Dekan der Medizinischen Fakultät):Grußworte
9:30 – 10:00	Prof. Georg Meyer: Einführung in die Thematik
10:00 – 10:30	Dr. Allan Osborn: An invisible class III design
10:30 – 11:00	Prof. Dr. Ralph Stenberg: Technical refinements for the class II gold foil
11:00 – 11:30	Kaffeepause
11:30 – 12:00	Dr. Allan Osborn:A look at the effect of the gold foil mallet upon the dental pulp
12:00 – 12:30	Dr. Robert Murray:A selective analysis of photographic techniques
12:30 – 14:00	Mittagspause
12:45 – 13:45	Dr. Welk:Stadtführung in deutsch; Treffpunkt: Eingang Anatomie
14:00 – 17:00	ZZMK, Rotgerberstr. 8, Kurssaal: Demonstrationen verschiedener Kavitätenklassen an Patienten
14:00 – 17:00	Table Clinic-Demonstrationen
ca. 15:30	Kaffeepause
ab 19:00	Geselliger Abend im Skulpturenpark Katzow

Sonnabend, 5. Juni 1999

Hörsaal der Anatomie, Löfflerstr. 23 c, nahe Zahnklinik

9:00 – 9:10	Studentin Britta Böttinger:Eröffnung der studententoffenen Veranstaltung
9:10 – 9:30	Prof. Georg Meyer: Einführung in die Thematik
9:30 – 10:00	Dr. Warren K. Johnson: Gold foil in everyday practice
10:00 – 10:30	Dr. James Gourley:A systematic approach to class V gold foils
10:30 – 11:00	Kaffeepause
11:00 – 11:30	Dr. Allan Osborn:An assessment of potential pitfalls in gold foil procedures
11:30 – 12:30	Dr. Richard Hoard: Gold — the standard of excellence in restorative dentistry
12:30 – 14:00	Mittagspause
13:00 – 14:00	Prof. Fanghänel:Führung durch das anatomische Institut
14:00 – 16:30	Live-Demo mit Kommentar:Klasse I und V im HSAnatomie
14:00 – 16:30	Anatomie Histosaal: Table Clinic — Demonstrationen
ca. 15:30	Kaffeepause
ab 20.00	Alumni auf dem Greifswalder Marktplatz

Kleine begleitende Dentalausstellung während der gesamten Veranstaltung

Dr. William W. Howard dies at age 76

William W. Howard, DDS

The Portland dentist wrote seven books relating to his field and served in a number of professional positions

Dr. William W. Howard, a prominent Portland dentist who served in a variety of top professional posts and wrote several acclaimed books on dentistry, died April 21. He was 76.

A private service will be held.

After graduating from the University of Oregon Dental School in 1950, Dr. Howard maintained a private practice in downtown Portland for 23 years until 1973. He then became professor and chairman of the department of fixed prothodontics at Oregon Health Sciences University and served in that capacity for 21 years until retiring in 1994.

Dr. Howard was involved in organizations related to his field for many years. He was president of the Oregon Dental Association in 1969-70 and the Multnomah Dental Society in 1963-64. He served two terms as president of the Oregon Board of Dentistry. Additionally, he was a past president of the Western Association of Dental Examiners and Dental School Deans and a former supreme president of Xi Psi Phi dental fraternity.

He was the author of seven books relating to his field, most of which were translated into several languages and pub-

lished internationally. Several of his texts are in use by students at OHSU Dental School.

Dr. Howard — a contributing author to four other books who wrote hundreds of papers, articles and editorials — was honored with several prestigious journalistic awards, including the Geis Editorial Award, the International College of Golden Pen, the Golden Pencil and the Golden Scroll.

He did volunteer work for the hospital staff of Shriners Hospital for Children from 1966 until 1993 and was named Oregon General Dentist of the Year in 1970.

He was a life member of the American Dental Association and served as an adviser or members of its councils. He served as editor of the Journal of the Academy of General Dentistry for 22 years until retiring as editor emeritus in 1996.

He became a member of the Academy of General Dentistry in 1962 and was named editor of publications in 1974; the organization honored him with the distinction of mastership in 1993.

He was born April 25, 1922, in Ontario. He enlisted in the U.S. Navy, in 1942 and served in the South Pacific during World War II. After his discharge, he returned to his studies at Oregon State University and graduated in 1946. He became affiliated with the Naval Dental Corps Reserve in 1951, retiring as captain in 1978.

Survivors, all of Portland, include his wife, Emma-Jane; sons, Dr. John P. Shaw and David M.J.; daughters, Jane S. Martin and Alexandra S. Woodworth; and five grandchildren.

Private internment will be in River View Cemetery. The family suggests remembrances to the Oregon Health Sciences Foundation to benefit the Dr. William W. Howard Award, attention: Alison Bruun, 1121 S.W. Salmon St., Portland, OR 97205, or the William W. Howard DMDCContributor's Club, Academy of General Dentistry Foundation, 211 E. Chicago Ave., Suite 1200, Chicago, IL 60611.

Save The Dates

AMERICAN ACADEMY OF GOLD FOIL OPERATORS

Annual Meeting October 27-30, 1999

HEADQUARTERS HOTEL

Sheraton Music City
Nashville, TN

HOST CLINIC

Meharry University
Dental Clinic

Here is a bit of advance notice for the upcoming Annual Meeting for 1999.

Fall in Nashville should be gorgeous and an outstanding clinical session is planned, with two mornings of clinics, to include castings and foils. Meharry is excited to have us and there should be a lot of student participation.

An excellent essay session has been put together by Tim Carlson. The quality of the AAGFO meetings continues to be of the highest nature. And Dick Tucker has arranged the operators for an impressive clinical session. There may still be room for an operator or two, so if you feel so inclined, please contact Dick.

The Sheraton Music City Hotel is not particularly convenient to the city, but it is close to the airport, with a complimentary shuttle service, and should lend itself very well to our meeting needs. Food is good, and facilities are great, with a complimentary health spa and indoor pool. It is only four stories, and is built in a quadrangle, so members shouldn't get lost. Rooms are quite nice!

We have reservations for Friday evening at the famous Grand Ole Opry, and will shuttle passengers to the Opryland Hotel in the afternoon, prior to the show, to visit the myriad of shops and grab a bite to eat. As per usual, a day out is being planned for the spouses, and Old Town Nashville is a good area to spend an afternoon, as well.

You will be getting more particulars and reservation forms in the mail in July, but members are often asking about the dates, so thought it would be a good idea to get this out.

Next year, we will be in Hawaii for the year millennium, with dates of November 1-4. Tentative plans are to be in Indianapolis in 2001, but no dates have been set. Plan ahead!!

Any questions, contact the Secretary, Ron Harris:

(317) 867-3011
